RIS G20 Research Programme

Applications Invited for the Post of Consultants

RIS is looking for young, dynamic and motivated individuals for its dedicated research programme on G20. More information about RIS work programme is available at www.ris.org.in

Educational and Other Qualifications:

- Post Graduate degree in relevant discipline i.e. Economics/Social Sciences/Statistics.
- Five years of experience in teaching/research/project formulation/monitoring preferably in international organizations.
- Doctoral degree in Economics.

Role and Responsibilities:

- Preparation of notes, briefs and policy papers on various G20 issues including global economic governance, trade & investment, SDGs and development cooperation, international finance, infrastructure investment, science technology and innovation, digital economy, women and social cohesion, among others.
- Any other responsibility assigned by RIS.

Remuneration: Commensurate with educational qualifications and experience.

Application Process: Interested candidates may apply at Email: recruitment@ris.org.in together with a copy of the latest bio-data and sample peer-reviewed publications. Although this is a stand-by advertisement, the first cohort of applications will be processed by end of January 2022.

Please Note:

- Eligible and shortlisted candidates would be called for personal/virtual interview.
- The Selection Committee at its discretion can relax any of the above-mentioned conditions above in favour of exceptionally meritorious candidates.
- The decision of the Selection Committee would be final in all respects.
- Selected candidates would be required to take up the assignment soonest possible and it would be desirable if an indication about the possible date of taking up the assignment is given in advance in case of selection.
- Any sort of canvassing would be treated as disqualification.
- Incomplete applications are liable to be rejected.
