

# RIS INTERNSHIP PROGRAMME

RIS, a premier think-tank in India on global and regional economic policy, has accumulated unique expertise and knowledge base in the field of international trade, regional economic integration, new technologies and industrialization, regional connectivity and infrastructure development, blue economy, development finance and related areas. As part of its wider dissemination and capacity building programme, RIS offers internship to post-graduates in economics from reputed institutes/universities for a period of two to three months mostly during the summer and winter breaks of the academic semesters.

## KEY FEATURES

- Competent faculty and researchers
- First-hand exposure in applied and policy-oriented research in international trade, finance, investment, technology and development cooperation.
- Excellent opportunity to familiarize with conducting research studies and policy-making process
- On-the-job training in global and regional economic databases and applications
- Participation in international conferences, seminars and consultations

## ELIGIBILITY

- Masters in Economics or related fields from reputed institutes/universities
- Preference will be given to PhD scholars working on specialized topics in international trade. Bright undergraduates pursuing honours in economics may also be considered.

## DURATION

- Two to three months.

## REMUNERATION & LOGISTICS

- The Internship will be on unpaid basis. Necessary logistics support will be provided to the interns taking into account their functional requirements. Selected outstation interns may be offered some nominal stipend.

## CERTIFICATE OF INTERNSHIP

- Certificates will also be issued to the interns on satisfactory completion of work assignments and submission of internship paper.

*Interested candidates may send their applications along with CVs indicating the area interest to [dgoffice@ris.org.in](mailto:dgoffice@ris.org.in)*
